

# Fifth Edition with Florida Tech

The BACB® Fifth Edition Task List reflects the latest developments in behavior analysis.

## Scale Your Potential

Online behavior analysis certificate and degree programs, offered at a Bachelor's, Master's, and Doctoral level.

## Financial Assistance

Financial aid is available for students enrolled in a degree program and who take 5 credits per semester.

## Flexible Schedules

One and two-year programs with flexible course times to accommodate student schedules.

## BENEFITS & ADVANTAGES

- Online and on-site programs now available for students interested in becoming a Board Certified Assistant Behavior Analyst (BCaBA) or Board Certified Behavior Analyst (BCBA) under the new 5th Edition Task List.
- Florida Tech's verified course sequences (VCS) are designed to fulfill instructional requirements and to ensure students are well-prepared for the fifth edition BCaBA or BCBA exam.

## REWARDS PROGRAM

Email [abareg@fit.edu](mailto:abareg@fit.edu) for more information on how your company can earn free seats and special discounts!

## 5<sup>th</sup> Edition Applied Behavior Analysis Assistant (BCaBA)

Our program is for people seeking affordable, high quality, online coursework for BCaCB certification.

# BCaBA GRADUATE CERTIFICATE (ONLINE)

The **assistant graduate certificate** is for students who seek certification at the assistant level and may be interested in later pursuit of a graduate degree. Completion of the 16-credit course sequence will allow students who hold a minimum of an undergraduate degree from an accredited university and who obtain the supervised field experience required for certification, to qualify for the Board Certified Assistant Behavior Analyst (BCaBA) examination. All credits within this program are also accepted toward the online Master's in Behavior Analysis Practice degree.

Semester 1	3 credits	BEH5041	<b>Introduction to Concepts &amp; Principles of Behavior Analysis</b>
Semester 1	1 credits	BEH5044	<b>Ethics for Behavior Analysts 1</b>
Semester 2	3 credits	BEH5043	<b>Measurement and Experimental Design in Behavior Analysis</b>
Semester 2	1 credits	BEH5047	<b>Introduction to Assessment and Intervention</b>
Semester 3	3 credits	BEH5048	<b>Assessment and Behavior Change Procedures for Skills Acquisition and Performance Improvement</b>
Semester 3	1 credits	BEH5050	<b>Supervision and Management Fundamentals</b>
Semester 4	3 credits	BEH5049	<b>Assessment and Behavior Change Procedures for Behavior Reduction</b>
Semester 4	1 credits	BEH5045	<b>Ethics for Behavior Analysts 2</b>

Credits: 16 credits | Semesters: 4 semesters | Hours: 225 hours | Price: \$7,920

## 5<sup>th</sup> Edition Online Applied Behavior Analysis Assistant (BCBA)

Students in the distance programs at Florida Tech pass the BACB® certification exams at rates consistently higher than the national average.

# BCBA GRADUATE CERTIFICATE (ONLINE)

The **behavior analyst graduate certificate** is for students who have a graduate degree and who want to develop professionally by specializing in behavior analysis. Completion of the 21-credit course sequence in this program will allow students holding a minimum of a master's degree from an accredited university and who obtain the supervised field experience required by the Behavior Analyst Certification Board (BACB), to qualify for the Board Certified Behavior Analyst (BCBA) examination.
