

**New
Edition**

RBT Training Includes:

Interactive video lectures and exercises with questions, demonstrations and practice activities.

Fluency-building vocabulary flashcards and quizzes to build a firm foundation in the language of applied behavior analysis (ABA).

Competency quizzes included within each module to build your skills as you go.

Specific focus on the role of the RBT and what you need to know to be successful in your practice.

RBT ESSENTIALS 2.0

REGISTERED BEHAVIOR TECHNICIAN
TRAINING | 40 Hrs | ONLINE | \$149.⁰⁰

Florida Tech, in partnership with ABA Technologies, Inc., is a leader in training behavior analysts. We now offer comprehensive coursework designed to meet the 1st and 2nd Edition BACB Task List requirements for RBT credentialing.

<http://floridatech.edu/rbtessentials>

This training program is based on the RBT Task List (1st and 2nd ed.) and is designed to meet the 40-hour training requirement for the RBT certification. The program is offered independent of the BACB.
